"YOU know, it's the saddest thing but it seems like everybody my mother ever gets close to dies," Velma Barfield's son Ronnie Burke once said.

"How could the good Lord allow this to happen to a faithful Christian like Velma Barfield?"

It was a question a lot of people wanted to ask. How indeed?

How indeed? Even after the truth had come out and Barfield was waiting to become the first woman to be executed in America in 22 years, many couldn't understand how she got there.

She was a grandmother, a churchgoer, and so

On April 4, 1969, after Burke had passed out in a drunken stupor, Velma and the children left the house.
When they returned just hours later, the house was burned down and Burke was dead.
A few months later, her own home burned down, but it was insured.

But she recovered a few days later. By Christmas the same year, Bullard once same year, Bullard once again experienced the illness – and died in hospital a few hours after being admitted on December 30. In 1976, Velma began caring for the elderly, working for a couple

Lewis said Barfield's other personality, "Billy", had told her that

But the judge was unconvinced. "One of them did it, I don't care which", Prof Lewis later quoted him as saying.
Barfield spoke to Billy Graham a little before the execution, perhaps

Graham a little before the execution, perhaps hoping he could use his influence to save her life.

Instead, Rev Graham just said: "Velma, in a way I envy you, because you're going to get to go to heaven before I do."

A crowd had formed outside. Three hundred of them were begging for her life at the prison walls, holding candles

But across from them, eighty demonstrators who wanted to see her dead chanted: "Die, bitch! Die!"

After her appeal was denied in federal court, Barfield instructed her denied in federal court, Barfield instructed her lawyers to scrap a final appeal to the US Supreme Court – and she was executed on November 2, 1984, at Central Prison.

"I am sorry and I want to thank everybody who have been supporting me all these six years."

Her last meal was a bag of Cheetos – a US version of Wotsits – and two 8-ounce glass bottles of Coca-Cola.

She told her family she wasn't worried, saying: "When I go into that gas chamber, it's my gateway to heaven."

He added: "As a teacher, she was in a position of authority and clearly knew that what she did was wrong and harmful to these children."

Police began investigating in May 2015 after the mother of one boy called them to report her suspicions. The woman said Anderson

would drive her son, who had since graduated from middle school, home from football

practice and would "buy him things and take him places".

The 15-year-old boy told police that Anderson picked him up once in a grey Jeep and the two went to Raceway Woods Forest Preserve, where they smoked cannabis and had sex.

Anderson also acknowledged sexual assault "several times" – including once in a movie theatre car park – of a 14-year-old boy she knew from the middle school but saw only when he got into trouble.

Anderson faces from four to 22 years in prison when she returns to court in December for sentencing, along with lifetime registration as a sex offender.

Dear Kelly,

I'M a 36-year-old divorced woman and the other week I bumped into an old school pal I hadn't seen for 20 years.

I invited her round to my place for a meal and she revealed she hadn't made love to a man since her husband left her.

I said she must be feeling terribly frustrated but she laughed and said: "That does not mean I haven't had sex."

I didn't understand what she meant until she pushed me back on the sofa, easing my thighs apart. She pulled my panties aside and probed my pussy with her fingers and then the tip of her firm tongue.

It seemed like only seconds before I was experiencing the most

powerful orgasm I have ever felt.

For the rest of the evening we sucked, licked and finger-f*cked each other to orgasm after orgasm.

Now I'm feeling confused. I don't know whether I've been a latent lesbian all along or whether this was just a boozy one-off.

THIS is something you'll have to explore further with vour friend.

Dear Kelly,

MY mate's mum looks just like the actress Helen Mirren, except she's a bit younger than her and has got bigger tits – plus she always wears some sort of lurid pink all-in-one get-up and talks in a very broad Yorkshire accent.

Nonetheless, last week she sucked me off after we'd had a few drinks in the pub. She dragged me into an alley at the back of the boozer and whipped my rock-hard cock out.

She took me right to the back of her throat and when I erupted in her gob, she swallowed the lot like a real trooper.

I was about to do her from behind when my mate came out of the pub to see what was going on. He was furious with us both and now he won't talk to me.

The trouble is he's got my best jumper and I need it back for a date with his sister!

Dear Kelly,

I'M a 22-year-old single girl and I've never had much luck with the fellas.

In fact, I was a virgin until a couple of weeks ago.

That's when I first went to my

local gym.

I was greeted by a hunky guy who took me into the gym to show me the equipment.

Little did I know that he would

be showing me his equipment a little while later!
He was soon flirting with me.
I responded and he told me he wanted to shag me.
I said I'd like that and he led

me to an office.

He locked the door, lay me on the desk and then he began to

lick me out — which was the most wonderful and intimate thing I've ever experienced.

Then he stood up and dropped his trousers — and that's when I first saw his massive cock for the very first time.

When I explained that I was a virgin, he told me that he'd be very gentle.

It was brilliant feeling him inside me and after building up a steady rhythm he f*cked me harder and harder and gave me an orgasm before he withdrew and spunked his man-milk over my tits.

Kelly says...

WHY not have a threesome and have the best of both worlds?

I serviced car and the horny owner

Dear Kelly,

I'M a 32-year-old motor mechanic and the other day this right stunna came into my garage.

Her silver sports car had broken down but it only needed a few bunged-up plugs changing.

I told her I would have to take her motor for a spin as a final check. She joined me and I couldn't believe my luck when she invited me to her flat later.

She told me to come in my overalls and not to wash. I thought it was a bit strange, but if it meant that I was going to get a shag I was up for it.

When I got to her place my spanner was already well hard and I was revved up when she put her hands inside my overalls.

She stripped off and took my throbbing dick between

She stripped off and took my throbbing dick between her soft lips and began sucking me off expertly.

Gulped

I managed to hold on for about 10 minutes, then I released my handbrake and unleashed my love fluid and watched as she gulped it down.

She then led me to her bedroom and told me to lie on the bed while she went to her bathroom. She came back clutching a can of oil and massaged me with it. I was soon rock-hard again and I flipped her over, slipped my drive shaft right up her crank casing and gave her a damn good servicing.

gave her a damn good servicing.

The next morning I asked for her number, but she refused and said it was a one-off. What can I do?

BW. Cumbria

Kelly says...

NOTHING - I'm sure you'll soon find someone else to satisfy

Dear Kelly.

I WAS recently made unemployed. I'm 23, with 32DD boobs and long red curly hair – and didn't enjoy packing biscuits anyway.

Last week I was approached by a fella in a bar who said if I wanted to

make some easy money, become a part-time hooker. He said I could make a fortune from selling my body and offered me £50 to shag him.

I went to his house and he asked if he could film

me in some raunchy poses.
One thing led to another and I found myself in ecstasy with this fella

sucking on my clit.

Then he got out a huge dildo and suggested penetrating my arsehole as he screwed me. I let him use it on my arse and I was soon

screaming with delight.
The next day I went to
his house and he called in a

blonde girl.

She pulled off all my clothes and started sucking on my tits.

Pretty soon she had a dildo in my bum and was lapping at my clit. It was a real turn-on.
I asked if she was a

prostitute, but she said she was his wife.

Now they both want to pay me for sex. What should I do?

JB. Devon

Kelly says...

IT'S up to you, but it's probably better than packing biscuits.

IT'S TOUGH FOR SPURS

SPURS travel to Athens for this evening's early kick-off in the Champions League where they will meet an Olympiacos side who have not won in their last eight group games in the competition (D1 L7). That said the hosts have been in excellent form in the Greek Superleague and scored five at the weekend. Indeed, they have only conceded once in their last nine competitive games.

Spurs are 25/1 at BetVictor to go one better in the Ataturk Stadium Istanbul next spring than they did in Madrid when they lost 2-0 to Liverpool in a disappoint-

Madrid when they lost 2-0 to Liverpool in a disappointing all-Premier League final. An English winner of the competition in Turkey in May is 6/4 at BetVictor and they have four realistic contenders.

Spurs scored four in the opening 45 minutes at home to Crystal Palace at the weekend, but I feel they will have to settle for a point in Piraeus. The hosts are 16/5 to keep the points with Spurs a shade of odds on at 20/23 and the draw 16/5 with BetVictor.

Shakhtar Donetsk and Manchester City are meeting in the Champions League group stages for the third

In the Champions League group stages for the third successive year and City scored nine times without reply in the two ties last season. I would be surprised if this City side kept a clean sheet in the Ukraine however, given how poor they defended at Norwich at the weekend and how free-scoring the hosts have been of late - 13 goals in their last three league games.

Entertaining

City are 10/3 favourites to win a first Champions City are 10/3 Tavourites to win a first Champions League and they should have Aymeric Laporte back for the knock-out stages in February following his recent knee surgery. Pep Guardiola is likely to buy a defender in the January window, but one thing was clear at Car-row Road and that was that Nicolas Otamendi and John

Stones do not look the long-term answer. City are 2/7 with BetVictor to win in Kharkiv with Shakhtar 9/1 and the draw 19/4. City to win and both teams to score is 7/4 and that is the recommendation.

Plenty of Europa League ties involving British sides tomorrow with Rangers entertaining Feyenoord. The hosts are unbeaten in 13 home European ties, but they

hosts are unbeaten in 13 home European ties, but they meet a Dutch side unbeaten in the Eredivisie.

Rangers are 13/10 to win with the Rotterdam outfit 21/10 and draw 23/10. Feyenoord went nine away European ties (D3 L6) without success until a 3-0 win in Israel against Hapoel Beer Sheva.

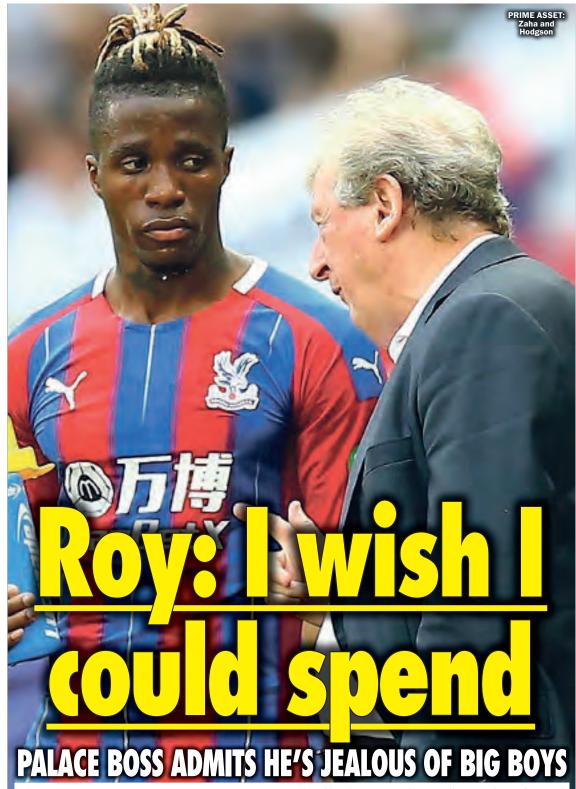

Celtic are in Rennes for an early kick-off and the French side beat PSG at Roazhon Park earlier in the season. The hosts are 11/10 to keep all three points with the Bhoys at 13/5 and the draw at 9/4.

As well as manager Nuno Espirito Santo there are even Portuguese players in the Wolves squad. The Molineux outfit have conceded eight in their last two league games which is out of character. They have been outstanding in the Europa League and I expect them to take all three points (4/7 with BetVictor) against a Braga side who have lost their last couple themselves.

ROY Hodgson admits he's a little jealous of managers at bigger clubs.

lost some of his own squad for big money.

He looks on at London rivals like Tottenham who have just shelled out a BILLION quid on a new ground.

The Eagles' home at Selhurst Park is strictly old school and it's relatively low capacity means Hodgson is limited in the transfer market.

Palace have spent a piffling £20m since the former Eng-

The Palace gaffer admitted: "A lot of teams who claim they don't spend much money, actually do.

"No one used to write often
"itv Roy Hodgson 'what a pity Roy Hodgson doesn't get a lot to spend!' "It was all Rafa and Pochet-

Boring

Hodgson believes it's not necessary to spend big to have success and would hate Palace to overextend them-

Palace to overextend and selves.

He added: "Arsene Wenger was the master of husbandry in all those years at Arsenal, keeping a team in the Champions League every year while spending hundreds of

millions on the stadium and academy.

"I am of the somewhat boring view that I think you should leave a club in a healthier position than when you joined.

"Not spending hundreds of millions on players who don't turn out to be as good as you like, that doesn't strike me as being a particularly good husband."

Hodgson's next fight will come in January when Wilfried Zaha will be in demand from clubs in European competition.

Arsenal have again been linked with the forward but they will need to pay at least £80m to get the deal done when the window opens.

MANCHESTER United are on the verge of their next golden generation of players.

That's the view of Juan Mata who believes the crop of youngsters coming through at Old Trafford can take the Reds back to the very top.

United kick off their Europa League campaign against Astana tomorrow and plenty of the next generation are likely to play some part. The likes of Mason Greenwood and Tahith Chong have already had first-team

experience.
And they are likely to be joined by other youngsters like Angel Gomes and James Garney against

the Kazakhs.

Mata has been keeping a close eye on the progress of the starlets making their way up the ranks at United.

And he's impressed with what he sees from the next generation.
They are capable of taking the club forward over the coming years just like Paul Scholes, David Beckham, Ryan Giggs and the Nevilles

That's a big claim to make but the Spaniard is full of confidence. Mata said: "I very much like them. I could speak about every

one of them.

his feet. "Chong is a proper winger. Very

quick one-against-one, a very nice left foot and a great shot.

"Jimmy Garner I like very much. Composure, personality on the ball, good shot, good decision-making. He touches the ball just the times he needs to.

"As a midfielder that's important – not just to retain the ball a lot, but to make it move quicker, and he does it so much.

"Mason is a very good finisher, both legs. You can't really tell if he's right-footed or left-footed, which is a good quality for a striker.

"All of them have been training with us for a long time and they developed a lot in pre-season." It looked as though Mata would be a casualty of Ole Gunnar Solskjaer's new broom that is sweeping through the club.

But he has penned a new deal and looks set to end his top-level career at the club.

Mata added: "Football is not about age. I'm now 31, but I don't think I'm old for football.

"I feel yeary young in my mind in

about age. 1 m now o1, but 1 don't think I'm old for football.

"I feel very young in my mind, in my legs. So football is not about age. It's about quality and the capacity you have to show it."

It's already shaping up to be a fight for United to get back into the top four of the Premier League.

One way of returning to Champions League action is to win the Europa as Chelsea managed 12 months ago.

There were good signs with a gutsy win against Leicester at the weekend and a confidence boosted against Astana would not go amiss.

Mata added: "If we want to get our objectives, we need to stick together — managers, players and

gether – managers, players and fans – because there's many people on the outside enjoying it when Man United don't win. It's key for us to stick together as a whole.

Wolfpack ready to charge on top flight

TORONTO Wolfpack WILL be ready for Super League if they pull off their promotion bid.

The Canadians are on the verge of joining the big time by topping the

Championship.
That would mean the Wolfpack need to sort out their stadium in time for

next season.
Super League chief executive Robert Elstone said: "If Toronto win the right to be promoted, then they have to meet minimum standards. "We are talking to the

RFL about what they look

like.
"We are seeking a number of assurances from the RFL and, if we get those and Toronto win that game, they are in."

Toronto chairman Bob

Hunter is confident there won't be a problem.

He added: "Our team on

the pitch has worked extremely hard to get to where we are today and we look forward to the opportunity to prove ourselves in the next three

"As for Robert's comments, I am confident that we can assure him and the Super League owners that we have what it takes financially to join

the family.

"We had a good meeting with the RFL last week and we are checking off all the necessary boxes of requirements for potential promotion."

Kearney in Scotland race

ROB Kearney could be fit to face Scotland in Ireland's World Cup

opener.
The Leinster full-back

The Leinster full-back has to prove his fitness today to be considered for Sunday's match.
Keith Earls is also trying to shrug off a minor injury to make the line-up.
An Ireland spokesman said: "Rob Kearney has a bit of tightness in his calf, and that will be managed. and that will be managed

and that will be managed across Tuesday. "We hope he'll be out running on Wednesday so we will be able to update after that. "Keith Earls ran on

Monday, while Joey Carbery trained fully on Monday too.'

Centre Robbie Henshaw is likely to miss the game with a hamstring problem.

ENGLAND winger Jonny May says the Red Rose will peak when the World Cup kicks off on

Triday.
The 29-year-old believes
Eddle Jones' men can show
their class in attack when the action starts.

action starts.

They average an impressive
4.3 tries per game and that will
cause problems to any defence
at the World Cup.
May has been a key part of
that attack with 24 touchdowns

in international rugby.

And he's confident of adding

to that record over the next

RUGBY WORLD CUP

month. He added: "I believe this team is ready.

"I look around the room at the team-mates and the talent we have and we can beat anybody if we are at our best.

"I don't want to come across as arrogant because I am not but I generally just can't talk up my team-mates enough. "We have got players who can

take the ball to the line and make decisions, we have got players who can run over

people, we have got speed, we

have got left foot options.
"Do other teams have great players? "Of course they do. It will

come down to who produces it

come down to who produces it on the day, who is ready for it and mentally who can handle it." England kick off their campaign on Sunday agaisnt Tonga before taking on the USA on Thursday.

That's a quick turnaround for a rushy union side and there are

a rugby union side and there are certain to be big changes between each match. That's why there are 31

players in the squad and May believes there are enough options there to beat any opponent.

He added: "The message from Eddie is that he will pick a team to beat that opposition on that

day and everyone has a role.

"It is not about who is better
than who. We are not about that
on this team. There is no point.

"We are very different and we
are just about being the best

versions of ourselves for the team. I couldn't care if I don't score a try in the tournament. We just need to win every game.'
